2021 Winter Issue

What's Happening at Vicuña?

I hope your 2021 has started with an encouraging and cheerful spirit! Our 2020 Winter Art Show was a success. Thanks to everyone who joined and supported the show. We live-streamed the event instead of hosting an in-person exhibition, in order to keep everyone safe. We showcased more than 60 artworks with brief explanations. Natasha D. gave an artist interview about her inspirations and how she feels when she completes a painting. Our illustrator, Jihwan, showed us how he draws many scenes in a short period, and shared many of his original illustrations. To make the event more engaging and fun, we even had virtual door prizes! The art show generated good sales for our artists. If you missed the show and would like to watch it, we can find the recorded version on our website and Youtube channel.

Our winter has been slow and steady. We are continuing with virtual and in-person classes with a COVID-19 safety plan in place. Due to the ongoing pandemic, Art Studio Tour's 2021 Mother's Day Tour Event has been cancelled. Fortunately, as an alternative, we will participate in the Art Studio Tour's group exhibition at The ACT Art Centre. The show will be up from April to June. Please stay tuned for more details!
